**CORRIGENDUM TO THE NOTICE INVITING PROPOSAL NO. PD/PMU/SB/ 10/2020-21,**  
**DATE: 22/01/2021**

WHEREAS few questions regarding evaluation of the technical bids as stated in **Point No. 5 under Section-3 [Instructions to Bidders (ITB)] at page no. 4 of the tender documents** were raised by the representatives from the interested bidders (FPCs/ FPOs promoted by NABARD) in the pre-bid meeting held today, i.e. on 05.02.2021, following point wise clarifications are being provided to all interested bidders to clear any ambiguity regarding evaluation of the technical bid:

1. **Credential:** As stated in the tender documents.
2. **Annual Turnover:** Audited report of the last financial year is to be submitted in support of turnover. In case of new FPCs/FPOs promoted by NABARD, interim Audit Report upto 31.12.2020 is to be submitted.
3. **Farmers' base for supply chain:** List of farmers as shareholders of the FPCs/members of FPOs promoted by NABARD is to be provided. No. of farmers so provided will be divided by the no. of stores applied and that no. will be considered as the effective farmers base for each store. For example: If one FPC/FPO promoted by NABARD applies for 25 stores and have total 1000 no. of farmers associated with it, then no. of farmers for each store will be 40 ( $1000 \div 25 = 40$ ) and accordingly the concerned FPC/FPO promoted by NABARD will be given marks in technical evaluation in this parameter.
4. **Business Plan:** As stated in the tender documents.
5. **Financial Status (Cash Balance as on 31.12.2020):** Photocopy of the Bank Pass Book duly sealed and signed by the authorized signatory categorically reflecting the closing cash balance as on 31.12.2020 should be provided and the total cash balance as on the said date will be divided by the no. of stores applied and that amount will be considered as the effective cash balance for each store. For example: If one FPC/FPO promoted by NABARD applies for 25 stores and have Rs. 10 Lakh as cash balance, then the effective cash balance for each store will be Rs. 40,000 ( $\text{Rs. } 10,000,00 \div 25 = \text{Rs. } 40,000$ ) and accordingly the concerned FPC/FPO promoted by NABARD will be given marks in technical evaluation in this parameter.

Marks allocated for evaluation of technical bid will remain same for each parameter.
